Efficient Sticky Notes Crack + Full Product Key Download

Let's say you want to create a digital sticky note that stays on the desktop, stands out a little so that it won't be confused with other sticky notes, yet is visible enough so that it doesn't take up too much space. That's where Cracked Efficient Sticky Notes With Keygen comes in. Efficient Sticky Notes gives you desktop sticky notes that you can view at a glance, adjust the time and date and add a title. You can easily pin them to the Start menu, organize them by date, time, category or task, and change the color and opacity of the notes. But Efficient Sticky Notes also gives you a ton of other features. For example, you can select a background color, add an attachment, add a hyperlink, or password-protect your sticky notes. You can also automatically download the latest notes from your school, work, or Google Docs and pin them to the taskbar for quick access. And the program is built with modern Windows 8 and Windows 7 features, like snapping and picture view modes. What's more, Efficient Sticky Notes gives you a full-featured drag-and-drop note-taking program, supports group notes, and can be used by any person, even administrators on a network. Easy to use Efficient Sticky Notes is very easy to use, and we had no trouble creating and organizing our notes on the desktop. You can drag notes to anywhere on the desktop, move them around, rearrange them by dragging them to a new location, change their color and opacity, change the background color, and add a title. The only real trick about Efficient Sticky Notes is that it doesn't have a "New" or "Save" option. Instead, the only way to create a new note is to select one of the existing notes on the desktop and click "Copy." If you want to save a note, you have to right-click the note on the desktop and then click "Move to Favorites." Or, you can simply select all the notes on the desktop and click "Copy" to copy them to your Favorites folder. Otherwise, Efficient Sticky Notes is really easy to use, and it's a good, professional digital sticky note manager. Pros: • It's very easy to create and organize your notes with Efficient St
