

December 9, 2021 - January 2010; Management Procurement and Law 163(3):129-133 ... edition of the Fidic Red Book, perhaps the most common. The preparation was carried out under the overall direction of the FIDIC Contracts Committee, which included John B. Bowcock, consultant, instruction and definition. The Instruction "On the preparation and publication of the FIDIC Red Book" was published in June 1969 by the FIDIC Contracts Committee. It defined the basic principles as well as issues related to the preparation, publication and preservation of information. This instruction was amended in August 1969. The instruction was revised in August 1977 and updated in October 1985 (FIDIC, FIDIC: Guidance and Guidelines and the Red Data Book).
