

Newer Super Mario Bros Wii Summer Sun Iso 211

New Super Mario Bros. The Wii is one of the most anticipated Wii console exclusives. Nintendo, which created the game, for a long time did not want to give fans permission to publish a demo, but still allowed it. Now we have a trailer, gameplay footage, and even some screenshots. Unlike previous games in the series, the new Mario Bros. cooperative will be present. Players will be able to fight shoulder to shoulder, as well as complete tasks together.
