A game that is expanding the framework of fantasy games and bringing you your very own story. Gather a group of legendary heroes with similar story lines and delve into the Lands Between to achieve your objective, or look for other players to form an alliance, or gather your own team of heroes to battle against other players with similar goals. Multilayered story The story is a multilayered narrative, with each character playing his part. Show your allies your strength in battle The Heroes will proceed to battles in a number of phases. After defeating the monsters in each phase, you will need to collect Heroic Spirit Souls or Blue Orbs to raise the power of your hero, and ultimately launch a Great Attack at the final phase of the battle. The defeats that befall your Hero are all carefully planned. To protect yourself from harm, build a party of fellow Heroes with similar story lines and alliances. Many choices to experience the story There are many routes to the final battle that you can choose from in this game, each providing a different experience for you. Experience all the stages of the story in your way to the Great Beyond. The route you choose to follow will determine whether or not your hero survives, whether you complete the quest in a limited time, and whether you achieve the greatest power. Draw your allies closer with a different story At the

time of the game's launch, the game will begin accepting applications for characters from the Lands Between. Through the application, you will be able to communicate directly with new characters. Through a series of in-game conversations between the characters you have befriended, you will be able to discover their own story lines, and grow close to the legendary heroes of the Lands Between. The characters of the Lands Between have their own skills and perks that can change over time, but their real identities are concealed from you until you have become close. \*The information above was edited on January 19, 2018. The dev blog will be live when the beta version starts and there will be announcements on Twitter and Facebook regarding the timing of the beta. Thanks, and we'll have more information on the game soon. -Please keep visiting our web site.

## **Disclaimers & Notes**

Hello. Rise is still in development, but I think you may have already seen a lot of it. Please look forward to the introduction of our Upcoming New Features and the monthly Devil Gods update, as well as our pre-order bonuses. What's more, please keep in mind that Rise is a very time-intensive game. It's developed on a 1-year schedule, which means that it generally takes about five or six months to develop a feature, then three to five months before it reaches an "already bueno" stage. So please be patient. If you have any questions, concerns, or feedback, please email us through the Contact section on our Rise website: [contactus@koei-tactics.com](mailto:contactus@koei-tactics.com)
